Account Monitoring

- Advisory Services - If you open an investment advisory account with our firm, as part of our standard service we will monitor firm approved investments, managers, and strategies on an on-going basis. This may include an assessment of account performance, asset allocation, liquidity needs, and performance objectives.
- Brokerage Services - Monitoring is not offered on the securities/investments obtained solely through the broker dealer. If you prefer on-going monitoring of your account(s) or investments, you should speak with a financial advisor about whether an advisory services relationship is more appropriate for you.

Investment Authority

- Advisory Services - Investment advisory accounts are managed on a discretionary basis. Discretion grants the firm the authority to decide which investments to buy or sell for your account. We have discretion to select, retain or replace third-party managers to manage your advisory accounts. You may limit our discretionary authority (for example, limiting the types of securities that can be purchased or sold for your account) by providing our firm with your restrictions and guidelines in writing.

- Brokerage Services – Brokerage accounts are managed on a non-discretionary basis. We will provide recommendations; however, you will ultimately decide which investments to buy and sell for your account. You have an unrestricted right to decline to implement any advice provided by our firm.

Account Minimums and Requirements

- Advisory Services - In general, we do not require a minimum dollar amount to open and maintain an advisory account; however, we have the right to terminate your account if it falls below a minimum size, which in our sole opinion, is too small to manage effectively.
- Brokerage Services - Brokerage accounts may have minimum investment requirements depending on the investment product/offering, please refer to the specific offering's prospectus or offering document for details.

Key Questions to Ask Your Financial Professional

- ✓ Given my financial situation, should I choose an investment advisory service? Should I choose a brokerage service? Should I choose both types of services? Why or why not?
- ✓ How will you choose investments to recommend to me?
- ✓ What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

What fees will I pay?

The principal fees and costs associated with engaging our firm for brokerage services include:

- **Principal Fees: Commissions and Trading Costs – Commissions** are transaction-based fees, which are charged each time, you buy or sell securities. Commissions may be charged on a per trade basis or per share basis. Trading costs may include exchange and regulatory fees and may also apply.

Fees for certain investments, such as bonds, may be included in the price you pay for the investment. This is referred to as a mark-up or mark-down. In addition, they may sold on an agency basis where the investor is charged a flat fee similar to a commission. Mutual funds, unit investment trust and various insurance-based securities are subject various fees and expenses. These fees and expenses are detailed in their offering materials. We ask that you consult those materials and your investment professional for further information.

Because we are compensated for transactions. The more trades you place, the more commission or fees we earn. Thus, we might have an incentive to encourage you to trade more frequently and in greater amounts.

The principal fees and costs associated with engaging our firm for investment advisory services include:

- **Asset Based Fees** - Payable quarterly in advance. Since the fees we receive are asset-based (i.e. based on the value of your account), we have an incentive to increase your account value which creates a conflict especially for those accounts holding illiquid or hard to-value assets.
- **Wrap Program Fees** - The principal fee is an all-inclusive wrap-fee that is a percentage of the assets in your account, payable quarterly in advance. Wrap accounts generally include most transaction costs and fees to a broker-dealer or bank that has custody of the assets; therefore, the asset-based fee is higher than a typical asset-based advisory account fee. You will not be charged separate fees for the respective component of the total services.
- **Third Party Fees** – Payable directly to the third-party money manager. Flagstar Advisors, Inc. does not share in these fees.

Other Fees: In addition to our principal fees and costs, there are other fees/costs related to our brokerage and investment advisory services that include: Custodian Fees, Account Maintenance Fees, Securities Transaction Charges and product-level fees associated with your investments.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For detailed information regarding our brokerage fees and cost, refer to the supplements on our website <https://www.signatureNY.com/supplements> and for investment advisory fees and costs, refer to our Form ADV Part 2 and Part 2A WRAP Fee Appendix, Items 4, 5, and 6 by following the following links:

Key Questions to Ask Your Financial Professional

- ✓ Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when providing recommendations as my broker dealer or when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we provide you with a recommendation as your broker-dealer or act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples to help you understand what this means:

- *Trading in Same Securities:* Representative may buy/sell the same securities that they have recommend or advise upon to their clients depending on their own personal financial situation;
- *Broker Dealer Accounts:* the more transactions you place, the more commissions we earn depending on the fee structure of the specific security. Thus, we have an incentive to encourage more trading; *Advisory Accounts:* subject to an advisory-based fee, the more assets in an account the more the investor will pay in advisory fees. Therefore, the firm may have an incentive to encourage investors to increase the assets in his or her account;
- *Third-Party Payments:* Financial professionals providing advisory services on behalf of our advisory firm can also be registered representatives with our broker-dealer. These persons receive compensation in connection with the purchase and sale of securities or other investment products within a brokerage account. Compensation earned by these persons is separate and in addition to our advisory fees. This practice presents a conflict of interest because they may have an incentive to recommend investment products based on the compensation they receive;
- *Third-Party Payments:* Financial professionals providing brokerage or advisory services on behalf of our firm may also be licensed as insurance agents. These persons will earn commission-based compensation for selling insurance products. Insurance commissions are separate and in addition to other fees and expenses. This practice presents a conflict of interest because they may have an incentive to recommend insurance products which can generate additional commissions;
- *Limited selection of Investments:* Our broker-dealer services and recommendations cover a limited selection of investments. Other firms could provide a wider range of choices, some of which may have lower costs.
- *Trail Compensation:* Ongoing compensation from product sponsors typically paid from the assets of an investment product. This compensation is based on the annual percentage of invested assets and varies by product. Our financial professionals and our firm may receive trail compensation from some investment products. We, therefore, may have an incentive to recommend products that pay higher "trails".
- *Referral Fee Payment:* Flagstar Advisors, Inc. has a referral agreement in place with Flagstar Bank, N.A.'s employees. Flagstar Bank, N.A. employees may refer clients in need of investment advisory services. Because of the referral fee payment, an incentive is created to refer you to purchase investment products and services.

Key Questions to Ask Your Financial Professional

- ✓ How might your conflicts of interest affect me, and how will you address them?

To help you understand what conflicts exist, please refer to the supplement located at www.signatureNY.com/supplements for possible conflicts and scenarios and refer to our Form ADV Part 2A and ADV Part 2A WRAP Fee Appendix, Items 5, 10, 12 and 14:

How do our financial professionals make money?

The financial professional providing brokerage services to you are compensated in the following ways: Salary; a percentage of commissions, markups and markdowns earned; ongoing fees from mutual funds and certain other product issuers. They may receive a discretionary bonus based on meeting certain client service level metrics. Compensation earned by a financial professional presents a conflict of interest because the more they sell, the more they can earn.

The financial professional servicing your advisory account(s) are compensated in the following ways: Percentage of advisory fees based on the amount of clients assets they service; hourly or fixed fees based on the time required to meet a client's needs.

Do you or your financial professionals have legal or disciplinary history?

I further agree that neither Flagstar Advisors nor Flagstar Advisors' affiliates shall be liable for not complying with any instructions if Flagstar Advisors or Flagstar Advisors' Affiliates reasonably suspect that I or my Brokerage Account is involved in fraudulent activities or other irregularities and Flagstar Advisors and Flagstar Advisors' affiliates can continue to refrain from complying with such instructions until Flagstar Advisors or Flagstar Advisors' affiliates have had an opportunity to investigate and become satisfied that there was no fraudulent activities or irregularities. In no event shall Flagstar Advisors or Flagstar Advisors' affiliates be liable for special, punitive, indirect or consequential damages, nor shall any action or inaction on Flagstar Advisors' or Flagstar Advisors' affiliates' part constitute a waiver by either Flagstar Advisors or Flagstar Advisors' affiliates of any cause of action or defense to recovery under any applicable law of mistake or restitution. Furthermore, I understand that separate and immediate confirmations of trading activity shall be mailed to me directly by NFS/Fidelity. With regards to systematic trade plans and mutual fund and equity dividend reinvestment transactions, these transactions will be confirmed on my summary monthly statement, in lieu of a separate and immediate confirmation. 19. **Option Trading.** If I would like to trade options, I will complete an options account application, and submit it to Flagstar Advisors for your approval. I understand that options trading is not appropriate for all investors, and that Flagstar Advisors may not approve me to trade options, or may approve me for only certain types of options transactions. I will not rely on any approval given by Flagstar Advisors of my option account application in making my own determination as to whether option trading is appropriate for me. If I apply for option trading privileges and Flagstar Advisors approves my application, any and all option trading activity will be governed by the NFS/Fidelity Option Account Agreement, which was given to me when I signed the options account application.
20. **Restricted Securities.** I shall not buy or sell securities of a corporation of which I am an affiliate or control person ("Restricted Securities"), nor sell any Restricted Securities, except in compliance with applicable laws and regulations.
21. **Fees and Charges.** I may request an Flagstar Advisors Fee Schedule from my Financial Advisor or by calling 866-SIGLINE option 2. This document provides an overview of standard account minimums, account charges and service fees. I shall pay the fees and charges incurred in my Flagstar Advisors Account, as defined in Flagstar Advisors' fee schedule, which may be amended from time to time. Should I have insufficient funds in my Flagstar Advisors Account to pay these charges, you may offset against any account I hold with Flagstar Advisors, Flagstar Bank, N.A. or any other Flagstar Advisors affiliate for the amount due.
22. **Two or More Brokerage Accounts.** In the event you open two or more Brokerage Accounts in my name, I shall be the sole owner of those accounts or shall have the legal capacity to control the assets in those accounts. Those accounts will be kept separate for my convenience only and each account shall unreservedly guarantee each of the

other accounts.

23. **Joint Accounts.** If two persons have signed the account application for a Brokerage Account, the Brokerage Account(s) opened with NFS/Fidelity shall be held by us jointly with right of survivorship (payable to either or the survivor of us). Each joint tenant irrevocably appoints the other as his/her attorney-in-fact to take all action on his/her behalf and to represent him/her in all respects to the Brokerage Accounts. Flagstar Advisors is authorized to follow the instruction of any one joint account holder in every respect and to deliver any or all monies, securities, or other property to any joint account holder or to any other person upon the instructions of any one joint account holder even if such delivery or payment is to be made personally to the joint account holder providing the instructions and is not being made to the other joint account holders. Each joint account holder agrees that Flagstar Advisors will be under no obligation to inquire into the purpose or propriety of such delivery or payment and is not bound to inquire into the disposition or application of such delivery or payment. This authority will remain in force until written notice to the contrary is addressed to Flagstar Advisors and received by Flagstar Advisors at its office at 1177 Avenue of the Americas, New York, New York 10036 and Flagstar Advisors has had a reasonable period of time to act upon such written notice. Flagstar Advisors, in its sole discretion and for its sole protection, may require the written consent of all account holders prior to acting upon the instruction of any account holder, but is not required to do so. All obligations and liabilities arising under a joint Brokerage Account are joint and several and may be enforced by Flagstar Advisors against any or all of the joint account holders.
24. **Transfer on Death Registration.** With transfer on death ("TOD") registration, you designate a beneficiary or beneficiaries who will receive all monies, securities, or other assets held in your account at the time of your death (or upon the death of the last surviving account holder, if this is a joint account). You can change your beneficiary designation at any time by filling out a new Beneficiary Designation form. We will rely on the latest Beneficiary Designation in our possession. You cannot change your beneficiary by will, codicil, or trust or other testamentary document. If we consider it necessary, we may request additional documents from any beneficiaries before we transfer assets to them from your account. Note that although NFS/Fidelity may hold in a nominee name securities that are in a TOD account, NFS/Fidelity has no responsibility to determine the registration or ownership of the account as a whole, either before or after your death. Note that Per Stirpes designation rules may vary from state to state. It is your responsibility to consult with an estate planning attorney to determine whether this designation is available and/or appropriate. By checking the Per Stirpes box associated with a given beneficiary, you are agreeing that if that beneficiary predeceases you, his or her share of the account will pass through to his or her descendants as determined by state law. If more than one person is named and no share percentages are indicated, payment will be made, in equal shares, to your primary beneficiary or beneficiaries who survive you. If a percentage is indicated for a primary beneficiary who does not survive you, and if you have not checked the Per Stirpes box, the percentage of that beneficiary's designated share will be divided equally among the surviving primary beneficiaries. If there is no primary beneficiary living at the time of your death, you hereby specify that the balance is to be distributed to the contingent beneficiary or beneficiaries listed. Neither we nor NFS/Fidelity will advise you on whether TOD registration is appropriate for your tax or estate planning purposes. Registering a securities account in TOD form is legal only in certain states, so it is important to consult your own legal or tax advisor before establishing or revoking a TOD registration.
25. **Custodial Accounts.** I understand that I may open an Flagstar Advisors Account under Uniform Gifts to Minors Act ("UGMA") or Uniform Transfers to Minors Act ("UTMA") for which I act as custodian ("Custodian Account"). I understand that in opening a Custodian Account I represent and warrant that the assets in the account belong to the minor stated in the application for such Custodian Account and all such assets, whether or not transferred out of the Custodian Account, will only be used by me for the benefit of that minor. As used in this Agreement, the terms "Client", "I", "me" and "my", shall refer to the either the Custodian or to the Minor as the context may require.
26. **Severability.** If any provision of this Agreement shall be invalid, illegal or unenforceable under any law or regulation, it shall not affect the validity of the remaining provisions of this Agreement, which shall remain in full force and effect.
27. **Relationship with Other Agreements.** The rights and obligations contained in this Agreement shall be in addition to those contained in the agreements governing any accounts I may have at Flagstar Bank, N.A. and any other agreements I may have signed with Flagstar Advisors, any of Flagstar Advisors' affiliates, or NFS/Fidelity.
28. **Amendments.** Flagstar Advisors may amend this Agreement at any time in any respect effective five days after Flagstar Advisors have mailed written notice to me.
29. **Termination of Agreement; Closing of Account.** Flagstar Advisors may terminate this Agreement at its discretion at any time, effective upon sending a written notice to me. I will remain responsible for all fees, debit items, or other transactions initiated or authorized by me whether arising before or after such termination. Where a Flagstar Advisors Account has not been active in the preceding twelve months and has a cash balance of \$500 or less, Flagstar Advisors may, at its sole discretion, in an effort to assist the client in paying an inactivity fee, close the Flagstar Advisors Account and remit the cash portion to the client(s).
30. **Address for Purpose of Communication.** Communications by mail, messenger, or otherwise sent to me at my address on Flagstar Advisors' records, or any other address I may give Flagstar Advisors or Flagstar Advisors' affiliates, are presumed to be delivered to and received by me whether or not actually received by me. I understand that I should promptly and carefully review the transaction confirmations and monthly statements and notify Flagstar Advisors of any errors. Information contained on transaction confirmations and account statements is conclusive unless I object in writing within five days with respect to transaction confirmations and ten days with respect to account statements from the date the confirmation or statement has been transmitted to me. Should I change my address,

I shall immediately provide Flagstar Advisors with written notice and will not hold Flagstar Advisors responsible for Flagstar Advisors reasonable reliance on my previous address until Flagstar Advisors have had a reasonable amount of time to change my address on Flagstar Advisors' records.

31. **Designation of Trusted Contacts.** I may designate Primary and Alternate Trusted Contacts for my accounts. (All Trusted Contacts must be 18 years or older.) If my Broker / Dealer has questions or concerns about my health or welfare due to potential diminished capacity, financial exploitation or abuse, endangerment, and/or neglect, my Broker / Dealer is authorized to contact the trusted contact and:
 - Provide the trusted contact(s) with information about my and / or my account, but NOT to provide them with the ability to transact on my account.
 - Inquire about whether another person or entity has legal authority to act on my behalf (e.g. legal guardian, conservator, or trustee).
 - Inquire about my contact information or health status.
32. **Change of Information.** I understand that should there be a change in any of my Flagstar Advisors Account information, including address, financial status, and risk tolerance, I must immediately provide Flagstar Advisors notice of such change. I understand that Flagstar Advisors will not be responsible for any adverse consequences resulting from Flagstar Advisors' reliance on information which has changed, but for which I have not notified Flagstar Advisors.
33. **Choice of Marketplace.** When securities may be traded in more than one marketplace, NFS/Fidelity may use discretion in selecting the market in order to achieve best execution.
34. **Payment for Order Flow.** Flagstar Advisors and/or NFS/Fidelity may transmit customer orders for execution to various exchanges or market centers based on a number of factors. These include size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement), access to reliable market data, availability of efficient automated transaction processing, and reduced execution costs through price concessions from the market centers. Certain market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the order-routing policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. Flagstar Advisors and/or NFS/Fidelity receive remuneration, compensation or other consideration for directing customer orders for equity securities to particular broker-dealers or market centers for execution. Such consideration, if any, takes the form of financial credits, monetary payments, or reciprocal business. NOTE: Trades placed through an automated telephone, electronic or on-line trading system cannot specify a particular market center for execution.
35. **Unlawful Internet Gambling.** Federal regulations prohibit any person or business entity engaged in the business of betting or wagering from knowingly accepting any payment in connection with the participation of another person or business entity in unlawful Internet gambling (a "restricted transaction"). You acknowledge and agree that you are prohibited from processing a restricted transaction through your Account or other brokerage relationship with Flagstar Advisors. Your participation, or attempted participation, in any restricted transaction through your Account or other brokerage relationship with Flagstar Advisors may result in the termination of your brokerage relationship with Flagstar Advisors and/or the closing of your Account. Flagstar Advisors reserves the right to decline any transaction that Flagstar Advisors believes is a restricted transaction.

Following an 18-month period of a zero balance, the inactive, or dormant, account will be purged.
42. **Abandoned Accounts.** Generally, if the absence of client contact results in a change of demographic information or trading activity for a period of three consecutive years (36 consecutive months), then the Flagstar Advisors Account may be deemed abandoned and Flagstar Advisors may close the Account and, if required, turn the funds over ("escheat")

to the appropriate state abandoned property administrator. Dormancy periods for determining actual escheatment requirements vary by the abandoned property laws of the individual states, and by type of account. Flagstar Advisors is required to base the period for escheatment on the state of the client's last known address on Flagstar Advisors' records, and that state's corresponding dormancy period. New York's dormancy period is three years.

At any time after the funds in an abandoned account have been turned over to the appropriate state abandoned property administrator, you (or any other person who is entitled to the funds) may reclaim this money from the appropriate state abandoned property administrator. For New York State, the following address may be used: The New York State Comptroller's Office of Unclaimed Funds, 110 State Street, Albany, NY, 12236.

44. **Pre-Dispute Arbitration.** This Agreement contains a pre-dispute arbitration clause. By signing an arbitration agreement the parties agree as follows:
- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
 - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
 - The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
 - The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
 - The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
 - The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
 - The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

I agree that all controversies that may arise between us (including, but not limited to controversies concerning any accounts, order or transaction, or the continuation, performance, interpretation or breach of this or any other agreement between us, whether entered into or arising before, on or after the date this account is opened) shall be determined by arbitration in accordance with the rules then prevailing of the New York Stock Exchange, Inc., or Financial Industry Regulatory Authority, Inc., as I may designate. If I do not notify you in writing of my designation within five (5) days after I receive from you a written demand for arbitration, then I authorize you to make such a designation on my behalf. I understand that judgment upon any arbitration award may be entered in any court of competent jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (a) the class certification is denied; (b) the class is decertified; or (c) the customer is excluded from the class by the court. 56. **Litigation.** Any litigation of a dispute that is not eligible for arbitration under the arbitration rules of the Financial Industry Regulatory Authority, Inc., MUST be commenced in a court having subject matter jurisdiction located ONLY in the State and County of New York. I agree that such court has and may assert personal jurisdiction over me and I irrevocably waive any defense based upon lack of jurisdiction, statute of limitations, inconvenience of forum and improper venue. I waive personal service of process and consent to service of process by certified or registered mail, return receipt requested, directed to me at my address at it appears on Flagstar Advisors' records.
