

Use this form to notify your old bank that you are closing your account. Make sure all checks, automatic transactions, and other debits have cleared before closing your old account.

Fill in the information either using your keyboard or by printing and completing the form. Ensure your Flagstar Bank account is open and active before closing your old account. Sign and date the form. Finally, send this form to your old bank after all existing checks, deposits, automatic payments and transfers have cleared your account. Your old bank may require additional information prior to honoring your request for closure.
