Subject: Louisiana, Oklahoma & Texas Severe Winter Storms – Conventional and Non-Agency Transactions

Due to the recent declared disaster in Louisiana, Oklahoma and Texas caused by severe winter storms on February 11, 2021, Flagstar Bank will now require satisfactory attestation or re-inspection within the FEMA declared counties. Please refer to all tables listed below for County and channel specific requirements.

Please note that appraisal re-inspections are not required to be completed by the original appraiser; however, a Flagstar Bank eligible appraiser must be utilized. For loans that have an appraisal that was ordered via tpo.flagstar.com, an appraisal re-inspection may be requested via the Appraisal Management Module on tpo.flagstar.com by selecting “Yes” to the “Do you need a Property/Disaster Inspection” question.

ATTESTATION

The [Disaster Condition Certification, Doc. #3642](#) or a similar form may be used to attest the borrower and seller, as applicable, are not aware of any structural or physical damage that resulted from the Storms that has altered the condition of the Property. The attestation form must be uploaded as a single document upload under the Appraisal Inspection header. The attestation may be digitally or wet signed.

Option 2

Conventional and Non-Agency Transactions		
Delivery	Purchase	Refinance
All Channels	Option 2 Interior Inspection (see below for requirements)	Option 2 Interior inspection (see below for requirements)

An interior inspection performed by an appraiser, appraiser trainee, home inspector, real estate agent, or a company that specializes in property inspections is required. The inspection attestation must include the following:

- A statement that the subject property has not sustained any damage.
 - For condominiums, a statement that the condo project and common elements, if applicable, within the project have not sustained damage.
- Interior photos of all main living (e.g., living room, all bedrooms, kitchen(s), etc.) areas evidencing no damage
- Photos of running water in all bathrooms and kitchen(s)

The following are examples of acceptable inspection forms:

- Freddie Mac form 2070
- Appraisal Update and/or Completion Report (Form 1004D)
- Catastrophic Disaster Inspection Report (CDAIR), Disaster Area Inspection Report (DAIR) prepared by a certified appraiser or a Disaster Inspection Company.

If the re-inspection confirms the property has been damaged, use the following to determine documentation requirements, before the loan is eligible to close or eligible for purchase by Flagstar Bank.

- If the property has been damaged and the damage does not affect the safety, soundness, or structural integrity of the property and the repair items are covered by insurance, the loan is eligible for closing/purchase. In these circumstances, documentation of the professional estimates of the repair costs, ensuring that sufficient insurance proceeds are available for the borrower's benefit to guarantee the completion of the repairs must be provided.
- If the property was damaged and the damage is uninsured or the damage affects the safety, soundness, or structural integrity of the property, the property must be repaired and an appraisal updated on Fannie Mae Form 1004D (Freddie Mac 442) must be provided before the loan may close and/or be eligible for purchase by Flagstar Bank.

If the attestation confirms the property has been damaged an interior inspection completed by an appraiser must be obtained to determine the extent of the damage. Use the following to determine documentation requirements, before the loan is eligible to close or eligible for purchase by Flagstar Bank.

- If the property has been damaged and the damage does not affect the safety, soundness, or structural integrity of the property and the repair items are covered by insurance, the loan is eligible for closing/purchase. In these circumstances, documentation of the professional estimates of the repair costs, ensuring that sufficient insurance proceeds are available for the borrower's benefit to guarantee the completion of the repairs must be provided.
- If the property was damaged and the damage is uninsured or the damage affects the safety, soundness, or structural integrity of the property, the property must be repaired and an appraisal updated on Fannie Mae Form 1004D (Freddie Mac 442) must be provided before the loan may close and/or be eligible for purchase by Flagstar Bank.

Note: TX 50(a)(6) liens are not eligible for an appraisal waiver.

For appraisals performed after the incident date for the indicated affected disaster area(s), the appraiser must provide the following commentary/evidence:

- Property is free from damage and the disaster had no effect on value or marketability.
- If the appraisal indicates damage, the extent of the damage must be addressed. Completion of repairs is required as evidenced by Form 1004D/442, Appraisal Update and/or Completion Report with photos of interior and exterior.

CONVENTIONAL TRANSACTIONS - APPRAISAL WAIVERS, DESKTOP APPRAISALS, AND EXTERIOR-ONLY APPRAISAL

For loans where an appraisal is not required due to DU/LPA offering an appraisal waiver or the loan meets the COVID appraisal flexibilities, the appraisal waiver, desktop appraisal, and exterior-only appraisal may continue to be used as long as an attestation or interior inspection has been provided as described above are met.
